Verse #1

1
Don't want to wear your ring, don't want to tie no strings
Just want a one time thing a fun time thing with you
I swear I'll play it cool, won't be nobody's fool
Just to see you through tonight is all I wanna do

Chorus #1

And we can blame it on the rum, we can say it was the tropical night
It was the gentle kiss of **an ocean breeze**, it was those tiki lights
It was the **moon** through the coconut trees... and the magic between you and me
When tomorrow finally comes, when it's all said and done, we can blame it on the rum

INTRO FILL

Verse #2

Just like the palm trees sway, like you hold me safe
You could move me in the way I like to move
The sea is calm and warm but we could make it storm
Just like the rhythm of a steel drum band in the groove

Chorus #2

And we can blame it on the rum, we can say it was the tropical night
It was the gentle kiss of an ocean breeze, it was those tiki lights
It was the **music** through the coconut trees... and the magic between you and me
When tomorrow finally comes, when it's all said and done, we can blame it on the rum

SOLO (verse)

Chorus #3

And we can blame it on the rum, we can say it was the tropical night
It was the gentle kiss of **those waves on the shore**, and those tiki lights
It was the **moon** through the coconut trees... and the magic between you and me
When tomorrow finally comes, when it's all said and done, we can blame it on the rum

Chorus #4 / Ending

And we can blame it on the rum, we can say it was the tropical night
It was the gentle kiss of **an ocean breeze, in the pale moonlight**
It was the **music** through the coconut trees... and the magic between you and me
When tomorrow finally comes, when it's all said and done, we can blame it on the rum
When tomorrow finally comes, when it's all said and done, we can blame it on the rum
