I don't believe in superstars, organic food and foreign cars
1

That right is right and left is wrong, that north and south can't get along
1
That east is east and west is west, and being first is always best

Chorus #1

But I believe in love I believe in babies
5 **5(7)** **1**
I believe in Mom and Dad and I believe in you

Verse #2

Well, I don't believe that heaven waits, for only those who congregate
I like to think of God as love, he's down below, he's up above
He's watching people everywhere, he knows who does and doesn't care
And I'm an ordinary man, sometimes I wonder who I am

Chorus #2

But I believe in love, I believe in music
I believe in magic, and I believe in you

Verse #2

I don't believe virginity, is as common as it used to be,
In working days and sleeping nights, that black is black and white is white
That Superman and Robin Hood are still alive in Hollywood
That gasoline's in short supply, the rising cost of getting by

But I believe in love, I believe in old folks.
I believe in children I believe in you.
