## Verse #1

Sometimes late at night, I lie awake and watch her sleeping  
**Am D C - G C - G**  
She's lost in peaceful dreams, so I turn out the lights and lay there in the dark  
**D Am D C G C - G**  
And the thought crosses my mind, if I never wake up in the morning  
**Am D Am C G C - G**  
Would she ever doubt, the way I feel about her in my heart

## Chorus

If tomorrow never comes, will she know how much I loved her  
**G C G**  
Did I try in every way to show her every day, that she's my only one  
**D Am D C G**  
And if my time on earth were through, and she must face the world without me  
**C Em**  
Is the love I gave her in the past, gonna be enough to last, if tomorrow never comes  
**Am D G**

## Verse #2

'Cause I've lost loved ones in my life, who never knew how much I loved them  
**Am D C G C - G**  
Now I live with the regret, that my true feelings for them never were revealed  
**D Am D C G C - G**  
So I made a promise to myself, to say each day how much she means to me  
**Am D Am C G C - G**  
And avoid that circumstance, where there's no second chance to tell her how I feel

## CHORUS

## Ending

So tell that someone that you love just what you're thinking of if tomorrow never comes  
**Am D C Bm - Am - G**
