Verse #1

A **A**
When the sun goes down on my side of town, that lonesome feeling comes to my door
D **A**
The whole world… turns blue
A **A**
There's a rundown bar cross the railroad tracks, I've got a table for two way in the back
D **A**
Where I sit alone… and think of losing you
E **E** **A** **| A |**
I spend most every night, beneath the light, of a neon moon

Chorus

D **E** **D** **E**
If you lose your one and only, there's always room here for the lonely
D **E** **| A** **| A |**
To watch your broken dreams, dance in and out of the beams of a neon moon

Verse #2

I think of two young lovers running wild and free, I close my eyes and sometimes see
You in the shadows… of this smoke-filled room
No telling how many tears I've sat here and cried, or how many lies that I've lied
Telling my poor heart… she'll come back someday
Oh, but I'll be alright, as long as there's light, from a neon moon

CHORUS

SOLO: [verse]

Verse #3

A **A**
The jukebox plays on drink by drink, the words of every sad song seem to say what I think
D **A**
This hurt inside of me… ain't never gonna end
E **E** **A** **| A |**
Oh, but I'll be alright, as long as there's light, from a neon moon

CHORUS

Ending
