It's by far the hardest thing I've ever done, to be so in love with you and so alone

Follow me where I go what I do and who I know, make it part of you to be a part of me

Follow me up and down all the way and all around, take my hand and say you'll follow me

D **A** **G** **D**
It's long been on my mind, you know it's been a long long time
Bm **A** **G** **A**
I'll try to find the way that I can make you understand

The way I feel about you, and just how much I need you

To be there where I can talk to you when there's no one else around

CHORUS

You see I'd like to share my life with you and show you the things I've seen

To have you there beside me, and never be alone

And all the time that you're with me then we will be at home

CHORUS

D **G** **A** **D...**
Take my hand and say you'll follow me...
