Verse #1

1 **4** **1**
Hey, back when I was going to school, I never learned a thing
5 **1**
All I did was daydream, I'm waitin' for the bell to ring
I had a certain teacher, I always tried to impress her
When she stood up in the classroom, I would mentally undress her
Then one day I decided, that I would write a little letter
She said the spelling was a masterpiece, the punctuation could be better
I understood what she was saying, I got the gist of her sentiment
She said I don't mean to be degrading, But here's the way that it shoulda went

Chorus

4 **1**
I love you period, do you love me question mark
5 **1**
Please please exclamation point, I wanna hold you in parentheses
4 **1**
I love you period, do you love me question mark
5 **1**
Please please exclamation point, I wanna hold you in parentheses

SOLO (one verse and one chorus)

Verse #2

When I went to highschool, people said I was a writing fool
All my letters became really great, with punctuation that was never late
But I was having trouble meeting girls, I never knew what things to say
Soon I had them all overwhelmed, when they heard me talk this way (Like this!)
