### Verse #1

**1**  
I'm lyin' on the ground in the middle of the street  
**1**  
Crawlin' on my knees but I think I'm on my feet  
**4** **1**  
Tell me what've I been drinkin', make my mind so slow  
**6m** **5** **4** **1**  
The bartender said it's whiskey but I know that can't be so

### Verse #2

I walked into the tavern, ten o'clock at night  
Now it's four in the morning and I'm higher than a kite  
What've I been drinkin', I can hardly see  
I haven't got the bottle but the juice has got a hold on me

### Chorus

**4**  
Tell me what have I been drinkin'  
**1**  
Won't you tell me, what have I been drinkin',  
**4** **1**  
What've I been drinkin', the label on the bottle doesn't show  
**6m** **5** **4** **1**  
The bartender said it's whiskey but I know it isn't so

### SOLO

What is the stuff anyway?!

### SOLO

### Verse #3

Well it burns like fire it stings me like a bee  
Them mighty mystery juices got some hell in store for me(!)  
What've I been drinking, someone tell me soon  
If I keep doin' what I'm doin' the bottle's gonna bring me to my ruin

### CHORUS

### Ending

Tell me what've I been drinkin'  
Won't you tell me what've I been drinkin'  
What've I been drinkin', the label on the bottle doesn't show  
The bottle's on the table and I'd like to read the label , but my eyes are seein' double and I just ain't able  
Tell me... (fade)

Original words for the (!) line can't be determined. Sounds like: Them "catiposa" juices got the "hairline" in for me (?!?)
