D Put on your bobby socks baby, roll up your old blue jeans
G There's a band playing down at the armoury that knows what rock and roll really means
D I wanna ride in your 55 T-bird, drive thru some old memories
G I ain't after your body baby, I just want you to dance with me

Chorus

G I wanna bop with you baby, all night long, I wanna bop the night a-way
Em I wanna make it tonight like it used to be when our hearts were young and our souls were free
G I wanna bop with you baby, all night long, I wanna be-bop with you baby 'till the break of dawn
G I wanna bop with you baby, all... night... long...
