They say it's alright, say it's alright
 1 **2m** **5** **1** **3m** **4 - 5** **1**
It's alright, have a good time, cause it's alright, whoa it's alright

Now we gonna move it slow, when the lights are low
When you move it slow, It feels like more
Cause it's alright, whoa it's alright

Now listen to the beat, kinda tap your feet
You got soul, everybody knows
That it's alright, whoa it's alright

Bridge

6m **3m**
When you wake up early in the morning
 6m **3m**
feeling sad like so many of us do
6m **5** **3m** **2m**
Hold a little soul, and make life your goal
 2m **4** **5**
And surely something's gotta come to you

Verse

And you gotta say it's alright, say it's alright
It's alright, have a good time
Cause it's alright, whoa it's alright

Bridge

Someday I'll find me a woman, who will love me and treat me real nice
Where my road has got to go, my love she will know from morning
Noon, until the night

Verse

And she's gotta say that it's alright, say it's alright
It's alright, have a good time
Cause it's alright, whoa it's alright

Now listen to the beat, kinda tap your feet
You got soul, everybody knows
That it's alright, whoa it's alright

You got soul, everybody knows
That it's alright, whoa it's alright
