## Chorus

**4**                    **1**                    **5**  
 I wish you would step back from that ledge my friend,  
                          **4**                    **1**                    **5**  
 You could cut ties with all the lies, that you've been living in,  
**4**                    **1**                    **5**  
 And if you do not want to see me again,  
                          **4**                    **1**                    **5**  
 I would understand,                    I would understand

## Verse #1

**4**    **1**    **5**  
 The angry boy, a bit too insane, icing over a secret pain,    you know you don't belong,  
                          **4**    **1**    **5**  
 You're the first to fight, you're way too loud, you're the flash of light, on a burial shroud,    I know something's wrong  
**4**    **2maj**    **1**                    **(no chord)**  
 Well everyone I know has got a reason...    to say...    put the past away

## CHORUS

## Verse #2

**4**    **1**    **5**  
 Well he's on the table, and he's gone to code, and I do not think anyone knows what they're    doing here,  
                          **4**    **1**    **5**  
 And your friends have left you, you've been dismissed, I never thought it would come to this, and I    I want you to know  
**4**    **2maj**    **1**                    **(no chord)**  
 Everyone's got to face down the demons,    maybe today,    we can put the past away,

## CHORUS

## Ending
