## Verse #1

**1** **2m**  
Poor old Grand-dad, I laughed at all his words  
I thought he was a bitter man, he spoke of womens' ways  
They trap you then they use you before you even know  
But love is blind, and you're far too kind, don't ever let it show

## Chorus

**1** **2m**  
I wish... that... I knew what I know now... when I was younger  
I wish... that... I knew what I know now... when I was stronger

## Verse #2

**1** **2m**  
The can can's such a pretty show, it steals your heart away  
The backstage back on earth again, the dressing rooms are gray  
They come on strong and before too long they make you feel a man  
But love is blind and soon you'll find you're just a boy again

**SOLO:** | 1 | 2m | 1 | 2m || 1 | 2m | 1 | 2m |

## Verse #3

**1** **2m**  
When you want her lips, you get her cheek, makes you wonder where you are  
If you want some more, she's fast asleep, keeps you twinkling at the stars  
Poor... young... grandson, there's nothing I can say,  
So you have to learn, just like me, and that's the hardest way

## Vamp
